

Spring 2019 JABOCH Multi-Venue Event

This Spring, the Paradise Amateur Radio Society (PARS) will be holding a very interesting multi-venue event!!

Some of us just need to get to the great out of doors, some of us want to play radio outside, some of us want to rag chew in person with friends and others want to also help rebuild The Ridge. If any of these things sound good to you, then PARS is the place for you and the end of April is meant for you to have fun!!

Here are the plans:
